COMPANY PROFILE | HARMANY INDONESIA

ABOUT US

Established in October 2009, we are a professional equipment rental company specializing in the Indonesian event production industry. We are committed to continuous innovation and excellence in delivering reliable rental solutions for a wide range of events.

Our expertise covers Audio Systems, Lighting Systems, and LED Visual Systems, Stage and Rigging System supported by international-standard equipment and an experienced professional team.

With extensive experience in handling numerous national and international events, we understand the importance of reliability, precision, and professional service in every production. We continuously learn, adapt, and improve to provide effective solutions that meet the unique requirements of every project.

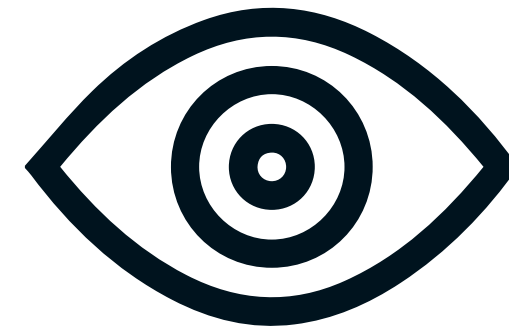

Driven by our commitment to innovation and excellence, we strive to be a trusted partner in the event production industry.

"Innovation for Solutions."

MISSION

To become a leading and integrated event rental service provider.

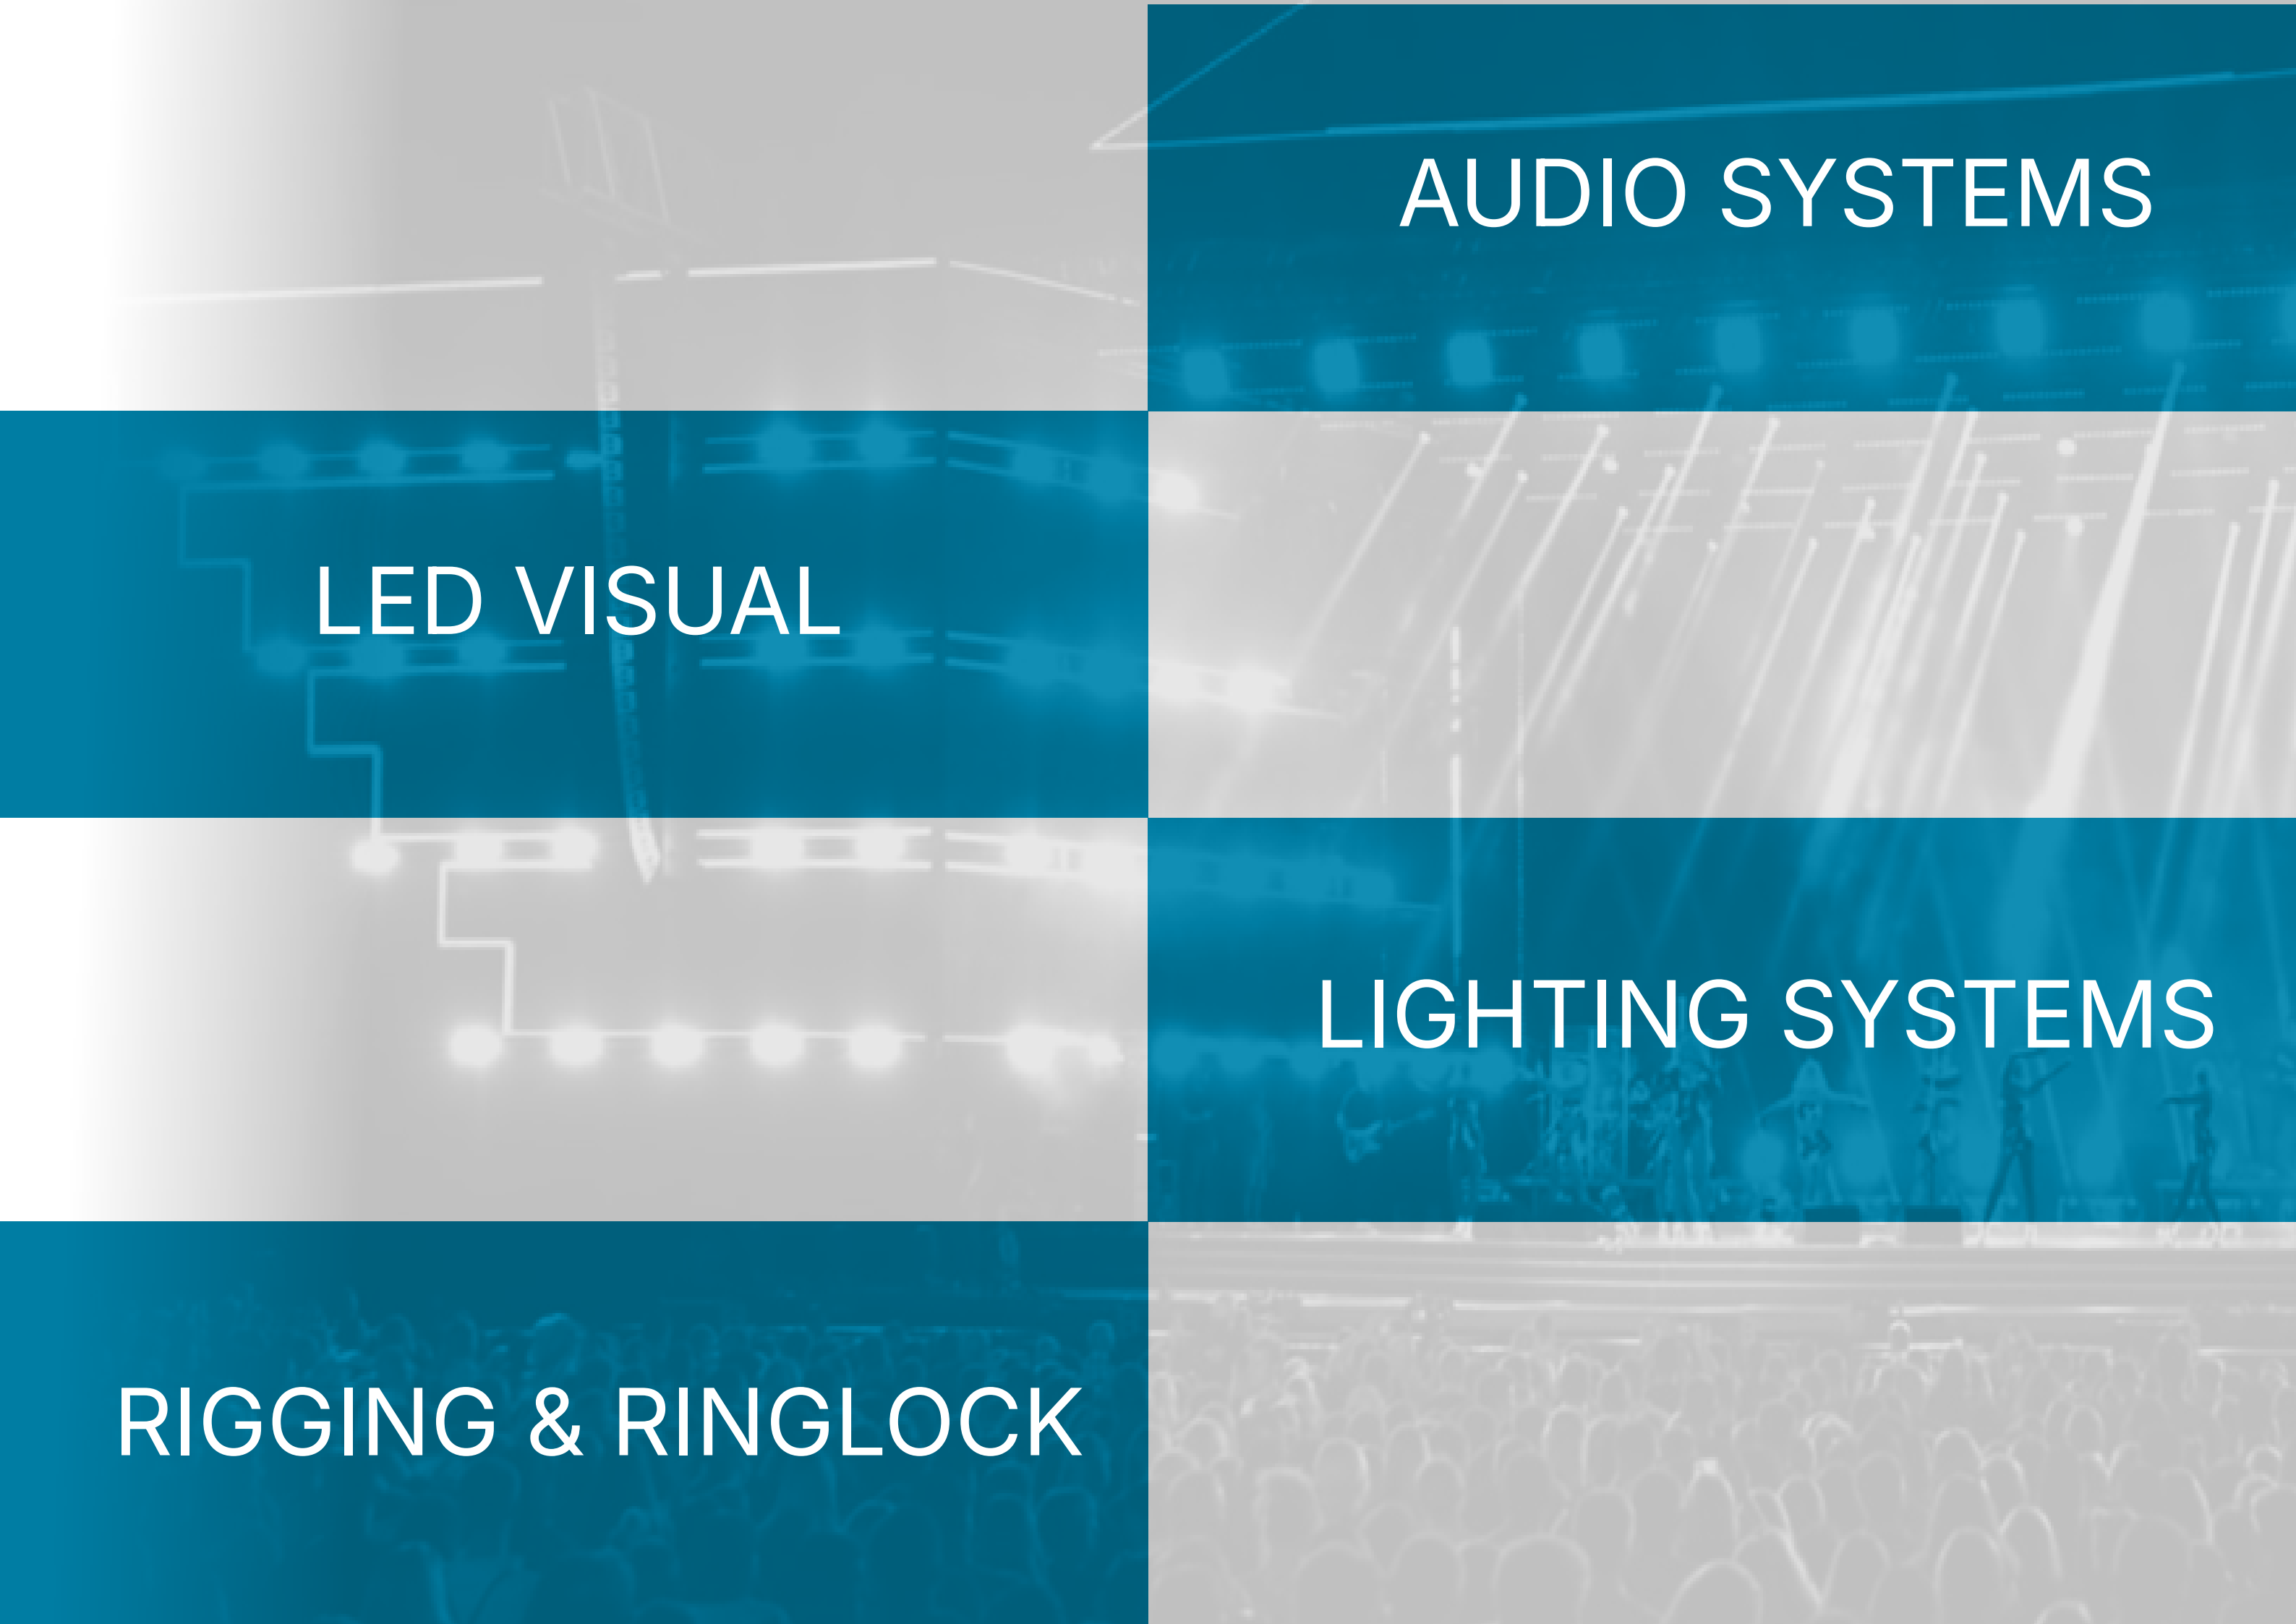

VISION

Providing services and solutions to turn every event dream into reality, because every moment matters and can never be repeated.

WE PROVIDE THE BEST SERVICE.

From Planning to Execution, Delivering the Best in Event Technical Equipment and Solutions.
